

Business Online Banking Enrollment

To enroll your business in STAR Bank's online banking, the master user must follow the steps below. Once the master user is enrolled, follow the steps on the User Management Guide to setup sub-user accounts and access. To complete enrollment, you will need the following information:

Account Owner Information	Account Information
Email	Account Number
First Name	EIN
Last Name	Zip Code

STEP 01/10

Visit www.starfinancial.com and click **ENROLL in Online Banking** or visit my.starfinancial.com/registration.

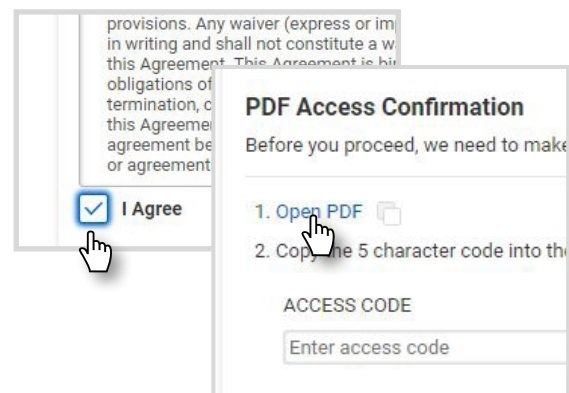

STEP 02/10

Click **Register as a business**.

STEP 03/10

Review the online banking access agreement before clicking the **I Agree** checkbox.

Then click **Open PDF**, prompting a PDF to open in a separate window.

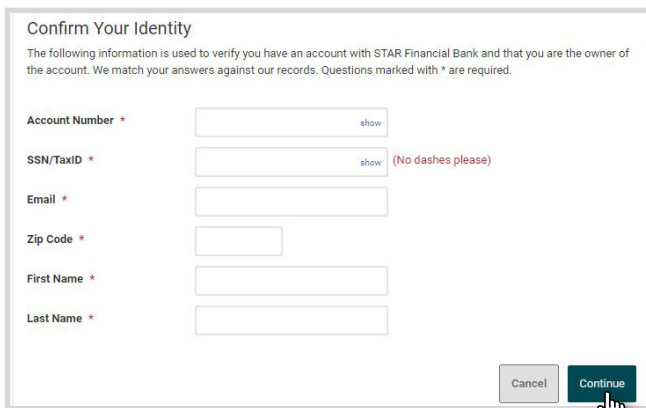

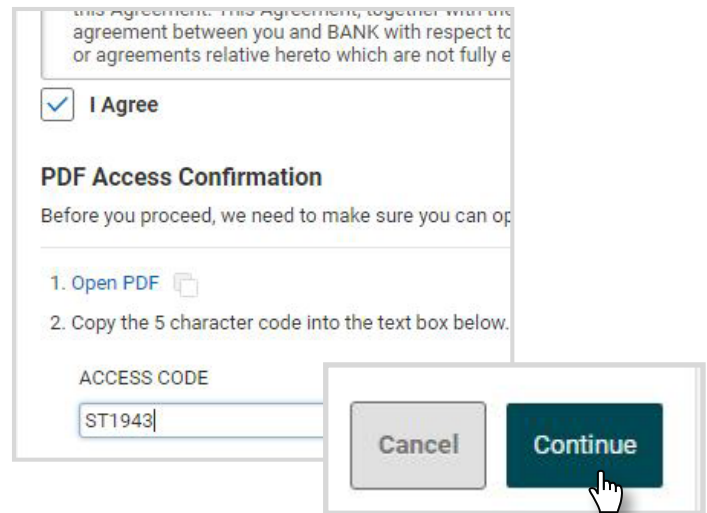

STEP 04/10

Copy the code shown on the PDF.

STEP 05/10

Paste or type the code into the text box located below ACCESS CODE.

Then click **Continue**.

STEP 06/10

Complete the text boxes with your Account Number, EIN, Email, Zip Code, First Name, and Last Name.

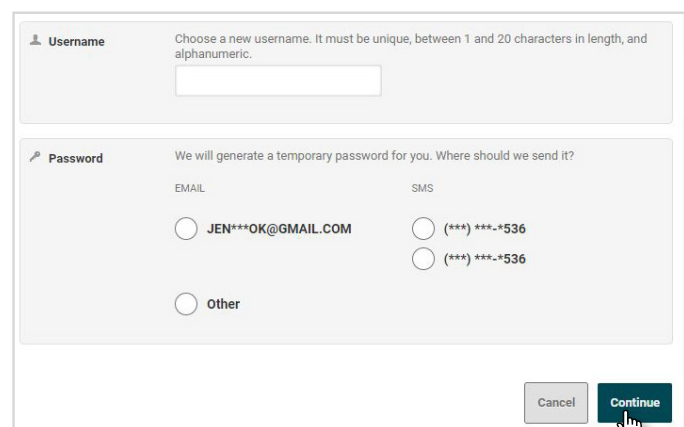

Then click **Continue**.

STEP 07/10

Enter a unique username that is alphanumeric and between 1 and 20 characters in length.

Select either your email address or mobile number to receive a temporary password. Then click **Continue**.

Tip: Click the link that pop-ups up next to the Username textbox to verify that username is available.

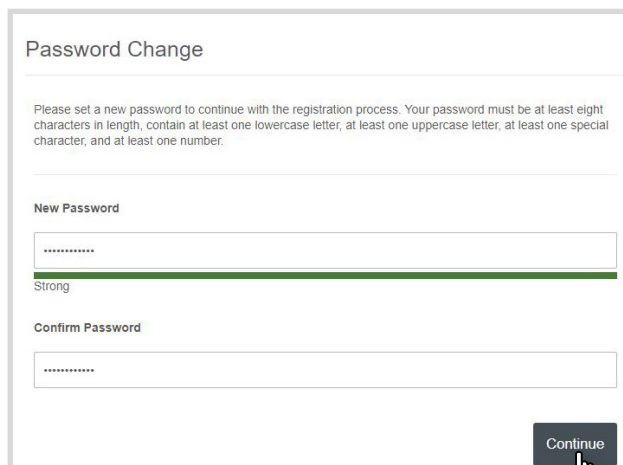

STEP 08/10

Enter the temporary password you received through email or text message. Then click **Log In**.

The screenshot shows a login form titled "Password". It features a text input field containing a masked password (represented by dots). Below the input field is a link labeled "Reset Password". To the right of the input field is a dark button labeled "Log In". A hand cursor is positioned over the "Log In" button, indicating it is the next step in the process.

The screenshot shows a "Password Change" screen. It includes a heading "Password Change" and a paragraph of instructions: "Please set a new password to continue with the registration process. Your password must be at least eight characters in length, contain at least one lowercase letter, at least one uppercase letter, at least one special character, and at least one number." Below this are two text input fields: "New Password" and "Confirm Password". The "New Password" field has a green bar underneath it with the word "Strong" written below, indicating password strength. A "Continue" button is located at the bottom right of the form, with a hand cursor pointing to it.

STEP 09/10

Enter a **New Password** in the text box. Then re-type the password in the **Confirm Password** text box. Then click **Continue**.
