STEP 08/10

Enter the temporary password you received through email or text message. Then click **Log In**.

The screenshot shows a login form titled "Password". It features a text input field containing a masked password (represented by dots). Below the input field is a link labeled "Reset Password". To the right of the input field is a dark button labeled "Log In". A hand cursor is positioned over the "Log In" button, indicating it is the next step in the process.

The screenshot shows a "Password Change" screen. It includes a heading "Password Change" and a paragraph of instructions: "Please set a new password to continue with the registration process. Your password must be at least eight characters in length, contain at least one lowercase letter, at least one uppercase letter, at least one special character, and at least one number." Below this are two text input fields: "New Password" and "Confirm Password", both containing masked passwords. A green progress bar is visible under the "New Password" field, and the word "Strong" is displayed below it. A dark button labeled "Continue" is located at the bottom right, with a hand cursor over it.

STEP 09/10

Enter a **New Password** in the text box. Then re-type the password in the **Confirm Password** text box. Then click **Continue**.
